Beautiful, spacious Fountaingrove home perfect for multigenerational living. The owners have invested over \$100,000 in upgrades. As you enter this home, you are welcomed by an open concept living/dining room with high ceilings and a cozy fireplace, perfect for cold winter nights. The main level offers a spacious primary ensuite with two full bathrooms and a second bedroom ensuite. A dedicated office, large kitchen and family room with a wood burning fireplace are also located on the main level. As you venture upstairs, there are two additional bedrooms and a large bonus room perfect for a theatre room or second office and extensive, walk-in, attic storage. The outdoor venue is very private and has a serene koi pond and a relaxing Jacuzzi hot tub. All located just a short distance from the newly renovated Fountaingrove Golf & Athletic Center, great shopping and award winning schools.
